Good morning Mayor Merilees (Andrew)

Thank you for your email regarding the Cape Scott Lighthouse and your initiative to protect it. I will bring this to the attention of our council this evening at our regular meeting and will likely be contacting Renee Baker to see how we can support this worthy initiative.

I am delighted to hear that the federal government response to date has been positive and we will certainly do what we can to help move forward and protect this incredible asset for future generations.

Bev Parnham
