

Urban Hens

The District of Port Hardy allows Urban Hens
in most residential zones

Here are some benefits to raising backyard chickens:

1. eat fresh eggs and share fresh eggs
2. Make great outdoor pets
3. Teach young ones responsibility
4. Create a self sustaining life
5. Good old-fashioned entertainment
6. Enrich your garden
7. Reduce waste
8. Teach science lessons
9. Have FUN!

Call us at the District office
to find out how you too
can have your own back-
yard chickens.

The application is **free**

Here are the conditions:

- ◆ Up to 4 urban hens on a lot that is 450 square metres
- ◆ Up to 6 urban hens on a lot that is greater than 450 square metres
- ◆ No roosters
- ◆ A structure must be provided
