

BC Bid Addendum Notification

Port Hardy Multiplex

Addendum No. 03

For Contract C-002 to C-034

An Addendum to the tender package noted above has been issued on November 26, 2018.

The amendments to drawings and specifications shall be incorporated into and form part of the tender package the same as if they had been written into the original. All documents in regards to this Addendum are available via download from the Construction Manager. To gain access to the documents please contact Brenda Meagher via email at bmeagher@unitechcm.ca with the contract and addendum information you require and they will respond with access instructions.
