His Worship
Mayor Dennis Dugas
District of Port Hardy
7360 Columbia Street
PO Box 68
Port Hardy BC V0N 2P0

Dear Mayor Dugas,

Re: North Island Road Conditions

Thank you for your recent letter regarding the maintenance of North Island roads. I’m sorry it has taken so long to respond.

As we discussed when I met with Council in Port Hardy last month, ministry staff and Mainroad North Island have discussed the contractor’s recent performance, completed an audit and identified opportunities for improvements. We now expect to see better road conditions in the North Island. Ministry staff will continue to monitor the roads closely to ensure they are safe and reliable.

Mainroad’s new yard is in the centre of its servicing area, which creates opportunities for more effective service for all communities. Plows are sent north and south simultaneously, and ministry staff are not aware of any changes to the timing of maintenance on the Holberg Road. When considering any of Mainroad’s approaches to maintenance, the important thing to remember is that this is a performance-based contract. Our maintenance contractor is required to meet the specifications and standards of the maintenance contract. Contractors have the freedom to choose new strategies and technologies, but we hold them responsible for the results they deliver.

Regarding traffic volumes on Highway 19 North, its annual average daily traffic varies from about 1,200 vehicles per day between Woss and Port McNeill and 3,300 vehicles per day between Port McNeill and Port Hardy. Traffic volumes vary by season. For example, volumes in summer near Port Hardy can be as much as 6 per cent higher than the annual average.

I was glad to receive your recommendations for changes to highway classifications in the North Island. In the short term, Mainroad and ministry staff have agreed that Coal Harbour Road and all of Highway 19 to Port Hardy should be classified as a consistent class B. This change will take effect immediately. Ministry staff will review highway classifications across the area to see if changes are needed for next winter.

BACK TO AGENDA
I understand the District of Port Hardy met with ministry staff and Mainroad staff on February 12, 2019. I have asked our District Manager, Michael Pearson, to reach out to you and set up a follow up meeting in the near future to further discuss the performance of the maintenance contractor and the steps the ministry will be taking to address the concerns you have raised. If you would like to contact Mr. Pearson, he may be reached at 250 713-2815 or email at Michael.Pearson@gov.bc.ca and would be happy to hear from you.

Thank you again for taking the time to write.

Sincerely,

Claire Trevena

The national Day of Mourning is observed annually in Canada on April 28. The day honours the memory of workers who have been killed, injured, or suffered illness as a result of work-related incidents.

At 11:00 am on Sunday, April 28, 2019, communities, families, businesses, government, First Nations, labour organizations and citizens on Northern Vancouver Island will come together to dedicate a memorial site honouring people impacted by work-related incidents in the Forest Sector. The permanent memorial gazebo will be unveiled in Woss, British Columbia, adjacent the site of the #113 Locomotive Engine on Railway Avenue.

For those who have directly suffered loss, it is but one of many days of mourning. For the rest of the community, it is a day to express longstanding condolences, and a commitment to see everyone come home from work safe, every day. On behalf of our constituents, the Regional District of Mount Waddington wishes to request your attendance at this dedication to respectfully honour the lives which have been impacted. After a brief ceremony we will observe a moment of silence, and dedicate the monument to those lives lost and all those who have been affected.

Please let me know if you are able to join us, please share this invite with your families, colleagues, and community, and stand with the people of the North Island during this memorial dedication.

Sincerely,

Pat English,
On behalf of the Regional District of Mount Waddington

The woss Lake recreation Commission and the RDMW will be serving food and light refreshments after the ceremony, at the Woss Rec Centre.

Dear Mayor Dugas & Council:

Re: Air Quality related health concerns due to domestic wood burning and backyard burning

On an ongoing basis, our office receives concerns expressed by residents about exposure to outdoor smoke produced by wood-burning appliances and backyard burning. While some residents are bothered by the nuisance created by smoke, most are concerned about the potential health effects this exposure may have on them and others within their families. We would therefore like to draw your attention to recent developments related to wood-burning appliances and wood-smoke, and outline actions council can take to reduce the impact.

While wood-burning appliances are used as a primary or secondary source of heat in many homes, the health effects from the resulting wood-smoke have become increasingly recognized. Wood smoke contains many of the same harmful substances that are found in tobacco smoke and is a significant source of fine particulate matter (PM$_{2.5}$), a major component of air pollution and a detriment to health. When inhaled, PM$_{2.5}$ embeds deep inside the tissue of the lung. Exposure is associated with a shortened lifespan, and can lead to lung cancer, reduced lung functioning and worsening of heart disease and asthma among those who suffer from these conditions. Building upon existing research, a February 2017 Health Canada study ([https://www.mcgill.ca/newsroom/channels/news/woodstoves-are-good-soul-bad-heart-266643](https://www.mcgill.ca/newsroom/channels/news/woodstoves-are-good-soul-bad-heart-266643)), using air quality data from three BC cities (including Courtenay/Comox), found that an increase in PM$_{2.5}$ specifically due to wood burning in the winter was associated with a 19 percent increase in hospitalization for heart attacks among those 65 years or older.

On September 19, 2016 the government of BC adopted the new Solid Fuel Burning Domestic Appliance Regulation (SFBDAR) ([BCReg218/2016](http://www.bcgov.ca)). Changes include the requirement for domestic wood burning appliances sold in BC to be USEPA certified to meet PM emissions standards, and provisions regarding the kind of fuel that can be burnt. In addition, there is now a requirement for the use of noncertified hydronic wood boilers (that were installed prior to May 1, 2017) to be discontinued by 2026 unless they meet an 80 metre setback requirement from a property line. However, the SFBDAR does not stipulate a similar requirement for existing noncertified wood stoves.
Given that SFBDAR does not require discontinuation of existing noncertified wood stoves, the potential for ongoing exposure to elevated PM_{2.5} will continue in many communities. And, while wood smoke air pollution receives most attention in valley communities, it also contributes to poor air quality in localized areas where wood source space heating is used by one or more households within a neighbourhood or where backyard burning is permitted.

Local governments are uniquely positioned to lower PM_{2.5} emissions, improve air quality and thus achieve better health outcomes by addressing gaps not covered in SFBDAR. There are a number of ways to effect change, such as:

1. Update and/or implement air quality bylaws that afford more stringent controls on the type and use of wood burning appliances, such as requiring the replacement of existing noncertified appliances. This is currently being done at the local level through bylaws in several communities on Vancouver Island.

2. Offer incentive programs that support wood alternative heating sources. A program that focuses on exchanging woodstoves for alternative heating methods, such as heat pumps, will achieve more substantial improvements than one that focuses on exchanging a noncertified woodstove for a certified one. The provincial Wood Stove Exchange Program can be utilized. It offers higher incentives for cleaner heating options and has made heat pumps eligible.

3. Social marketing and educational campaigns that provide awareness to local residents about the health effects smoke due to wood smoke, from residential home heating, open and backyard burning.

4. Implement bylaws that restrict backyard burning, including limitations on materials, setbacks and time periods. Most Vancouver Island local municipalities and regional districts currently have bylaws in place to address backyard burning, many of which include seasonal burning bans. Existing bylaws can be further strengthened to include burning restrictions year round in places where people live.

We encourage council to consider adopting one or more of these strategies. Island Health appreciates any opportunity to engage with municipalities with respect to initiatives that lead to health outcome improvements. For further discussion around air quality please contact us at HBE@viha.ca.

RE: District of Port Hardy Tax Rates Bylaw No. 1095-2019

PURPOSE

To set the tax rates required to generate the property taxes identified in the 2019 Financial Plan for the District of Port Hardy, and requisitions received from Vancouver Island Regional Library, the Mount Waddington Regional District and Hospital District.

POLICY

As required by the Community Charter, the tax rates bylaw must be adopted by May 15th each year.

ANALYSIS

The tax rates bylaw provides the authority to levy taxes for the District of Port Hardy, Mount Waddington Regional District, Mount Waddington Hospital District and the Vancouver Island Regional Library.

Schedule A on page 3 of Bylaw 1095-2019 (attached);

Column A – the General Municipal rate is calculated to generate tax revenue that equals the dollar amount established and adopted in the District of Port Hardy Financial Plan 2019–2023 Bylaw No. 1074-2018. The levy for 2019 is $3,051,261. The levy for 2018 was $2,909,562.

Column B – the Vancouver Island Regional Library rate is calculated on a levy imposed by the VIRL. The levy for 2019 is $144,262. The levy for 2018 was $154,069.

Column C – the Regional District rate is calculated on a levy imposed by the Regional District of Mount Waddington. The levy for 2019 is $425,341. The levy for 2018 was $394,097.

Column D - the Regional Hospital District rate is calculated on a levy imposed by the Mount Waddington Regional District. The levy for 2019 is $147,382. The levy for 2018 was $140,203.

FINANCIAL IMPLICATIONS

The 2019 Tax Rates Bylaw No. 1095-2019 sets the tax rates for each property class so the levies can be calculated based on each properties assessment value. The levies for the Municipal taxes have been established in the 2019 – 2023 Financial Plan. The District calculates the other tax levies based on the tax requisition received from the other taxing authorities.
STAFF RECOMMENDATION

"THAT Council gives 1st, 2nd and 3rd readings to the District of Port Hardy Annual Tax Rates Bylaw 1095-2019."

Respectfully submitted,

Lynda Sowerby  
Director of Finance

I agree with the recommendation,

Allison McCarrick  
Chief Administrative Officer
DISTRICT OF PORT HARDY

BYLAW NO. 1095-2019

A Bylaw to Set the 2019 Annual Tax Rates

WHEREAS the Council shall, pursuant to Section 197 of the Community Charter, in each year, adopt a bylaw to impose rates on all taxable land and improvements according to their assessed value to provide the money required for purposes specified in the Community Charter.

NOW THEREFORE the Council of the District of Port Hardy in open meeting assembled enacts as follows:

1. Title
   This Bylaw may be cited as the “District of Port Hardy Annual Tax Rates Bylaw No. 1095-2019”.

2. Definition
   “Collector” means the person duly appointed as such from time to time by Council, and includes all persons appointed or designated by the Collector to act on her behalf.

3. Tax Rates for General and Debt - Municipal Purposes
   Tax rates for all lawful general and debt purposes, as shown in column ‘A’ of Schedule ‘A’ attached hereto and forming a part of this Bylaw, are hereby imposed and levied on taxable land and improvements according to their assessed value as shown on the Real Property Tax Roll for general municipal purposes for the District of Port Hardy for 2019.

4. Tax Rates for the Vancouver Island Regional Library
   Tax rates for the payment of the Vancouver Island Regional Library requisition, as shown in column ‘B’ of Schedule ‘A’ attached hereto and forming part of this Bylaw, are hereby imposed and levied on taxable land and improvements according to their assessed value on the Real Property Tax Roll for general municipal purposes for the District of Port Hardy for 2019.

5. Tax Rates for the Regional District of Mount Waddington
   Tax rates for the payment of the Regional District of Mount Waddington requisition, as shown in column ‘C’ of Schedule ‘A’ attached hereto and forming part of this Bylaw, are hereby imposed and levied on taxable land and improvements according to their assessed value on the basis provided under Section 26 of the Hospital District Act and as shown upon the Real Property Tax Roll for the District of Port Hardy for 2019.

6. Tax Rate for the Regional District of Mount Waddington Hospital District
   Tax rates for the payment of the Mount Waddington Regional Hospital District requisition, as shown in column ‘D’ of Schedule ‘A’ attached hereto and forming part of this Bylaw are hereby imposed and levied on taxable land and improvements according to their assessed value on the basis provided by Section 26 of the Hospital District Act and according to their assessed value as shown upon the Real Property Tax Roll for the District of Port Hardy for 2019.
7. Rates and Taxes Payable
   The rates and taxes named under this Bylaw shall be levied, raised and collected for the
   purposes stated, and shall be payable by 4:30 p.m., July 2, 2019 to the Collector at the
   Municipal Hall, Port Hardy, BC.

8. Penalties
   Upon the 3rd day of July, 2019, or as soon thereafter as is practicable, the Collector shall
   add to the unpaid balance of the current year’s taxes, in respect of each parcel of land
   and improvement as shown upon the Real Property Tax Roll of the District for 2019:

   Ten (10) percent of the amount unpaid as of the 3rd day of July, 2019.

9. Supplementary Tax Rolls
   (a) Upon receipt of a Supplementary Tax Roll from B.C. Assessment, the Collector
       shall levy taxes in accordance with the rates specified in Schedule ‘A’ of this Bylaw
       according to the taxable values as shown on the Supplementary Tax Rolls.

   (b) Where Supplementary Tax Notices are sent before the 1st day of June 2019,
       penalties shall be added as set out in Section 8 of this Bylaw.

   (c) Where Supplementary Tax Notices are sent after the 1st day of June, 2019, ten (10)
       percent shall be added on any amount unpaid after thirty (30) days.

Read a First time on the ____ day of __________, 2019.
Read a Second time on the ____ day of __________, 2019.
Read a Third time on the ____ day of __________, 2019.
Adopted by the Municipal Council on the ____ day of __________, 2019.
