BROWN BAG LUNCH

Curious about what happens at Municipal Hall and want to engage with local government and your community? Members of the community are invited to drop by Rendezvous Place and chat with Mayor Dugas and Councillor Tidbury about what's happening in Port Hardy!

The next Brown Bag Lunch is scheduled for Wednesday July 17, 2019 from 11:30 am to 1:30 pm at Rendezvous Place.

Past Topics:

- Funding opportunities for non profits
- Island Health services to the North Island
- Council meeting procedures
- Power from wind farm to Port Hardy
- Seniors housing
- Green initiatives
- Speed readers
- Lack of rental accommodations
- Affordable housing
- Wellness First Committee
- Tiny homes
- Official Community Plan
- Pool and recreation
- Online courses at Mixelakwila (North Island College)
- Health services
- Winter road conditions
- Internet connectivity
- Civic Centre use for recreation
- Keeping our community clean
- Recycling
- Tourism
- Job Fairs

Bear Smart Volunteer Activities to Date

Our group has had an active year. Last year we kicked off the season with a booth at FILOMI Days. Then went onto win 1st prize for our booth at the Fall Fair!

The group has been to the elementary schools and to date we have presented to over 500 students. The Students have been so receptive to learning about what they can do to prevent Human Wildlife conflicts. We would like to thank:

- Avalon Adventist Junior Academy
 - Eagleview Elementary
 - Fort Rupert Elementary
 - Gwa'sala-'Nakwaxda'xw School
 - Wagalus School
- for letting us into your classrooms, we had a lot of fun!

Are you looking to Volunteer?

We are actively looking for volunteers to help us spread the word about Bear Smart Port Hardy. Please call Heather Nelson-Smith at 250-949-6665 or email general@porthardy.ca to enquire.

WHAT YOU DO REALLY MATTERS!

Here are some great tips to help you reduce human-wildlife conflicts:

| | | |
|--|--|--|
|  <ul style="list-style-type: none"> • Do not store your garbage or recycling outside. • Do not put out garbage/recycling until 7 am on pick up day. |  <ul style="list-style-type: none"> • Do not use bird feeders. • Instead use bird baths or plant red or pink native flowers to attract birds. |  <ul style="list-style-type: none"> • Feed your pets inside and store their food inside. |
|  <ul style="list-style-type: none"> • Harvest your fruit as soon as it ripens. • Remove fallen fruit from the ground. |  <ul style="list-style-type: none"> • Ensure hen enclosures are electrified. |  <ul style="list-style-type: none"> • Burn BBQ and clean immediately after each use. |

To report a bear encounter where public safety is at risk call the Conservation Officer Service at: 1. 877. 952. RAPP (7277)

When you report bear activity to the Conservation Officer Service, it provides the opportunity to work proactively together to fix the problem before it gets out of control. Reports may NOT result in the removal of the animal, in fact, if reported soon enough, Conservation Officers, municipal workers and community volunteers can often change human behavior before it results in the removal of the animal.

It takes the entire community to make change!
