## Additional Information About Elector Eligibility

In order to sign an [Elector Response Form](#) in relation to the alternative approval process, a person must either be a resident elector or a non-resident property elector.

A **resident elector** is an individual who is entitled to sign an elector response form during an AAP by virtue of living within that jurisdiction. When signing an [elector response form](#), a resident elector must:

- be 18 years of age or older;
- be a Canadian citizen;
- have lived in British Columbia for at least six months;
- have lived in the jurisdiction (e.g. municipality or electoral area) for at least 30 days;
- live in the area defined for the AAP; and,
- not be disqualified under the Local Government Act, or any other enactment from voting in a local election or be otherwise disqualified by law.

A **non-resident property elector** is an individual that does not live in a jurisdiction and who is entitled to sign an elector response form during an AAP by virtue of owning property in that jurisdiction.

When signing an elector response form, a non-resident property elector must:

- be at least 18 years of age;
- be a Canadian citizen;
- have lived in British Columbia for at least six months;
- have owned property in the jurisdiction for at least 30 days;
- own property in the area defined for the AAP; and,
- not be disqualified under the Local Government Act, or any other enactment from voting in a local election or be otherwise disqualified by law.

Note: Only one non-resident property elector may sign an [elector response form](#) per property, regardless of how many people own the property; and, that owner must have the written consent of a majority of the other property owner(s) to sign the response form on their behalf. Property owned in whole or in part by a corporation does not qualify under the non-resident property elector provisions.
