

Port Hardy Active Transportation Plan

Survey #1: Closes Friday December 4th at 4:00 PM

Active transportation includes all forms of human-propelled and power-assisted movement including walking, biking, using scooters, etc. Active transportation can be for recreation or for transportation purposes, such as exercise, getting to school, work, shopping, etc.

Thank you for participating! Average time to complete this survey is 5 to 10 minutes. Your response will help us develop an understanding of how and where folks in Port Hardy currently use active transportation, and how and where facilities could be improved to encourage more people in the community to use active transportation.

The following map illustrates some Port Hardy walkways and trails available for active transportation. They are referenced throughout the survey.
